

# FACTINATION

We asked for your fascinating facts and here are some of Freddie's favourites!

Name: Oliver

**FAVOURITE FACT!**

School: St Gregory's RC VA Primary School, South Shields

My most fascinating fact is...

Some turtles can breathe out of their bums!

Names: HR and ER

**FAVOURITE FACT!**

School: St George's Catholic Primary, Somerset

Our most fascinating fact is...

A male peacock spider has to dance for up to two hours to impress a female peacock spider, and if she's not impressed, she eats him.

Name: Layla

**FAVOURITE FACT!**

School: Stanley Primary School, Teddington

My most fascinating fact is...

From 1913-1915 in the United States, you could mail your children to their grandma's house.

Name: Rory

**FAVOURITE FACT!**

School: Branton Community Primary School, Alnwick

My most fascinating fact is...

A rainbow is actually a full circle, but you can only see the whole circle from the air. That's why it usually looks like an arch, and why you can't find the end of a rainbow!

Name: Raheem

**FAVOURITE FACT!**

School: Stechford Primary School, Birmingham

My most fascinating fact is...

Moon dust is so sharp it can cut through spacesuits.

Name: Clara

**FAVOURITE FACT!**

School: St Margaret's C of E Primary School, Durham

My most fascinating fact is...

In the hot Australian desert, kangaroos lick their arms to stay cool.
