Which flower is the tallest and has the most leaves? Write the number in the box.

As these flowers get taller, they grow 1 more leaf. Trace the bee’s route as it visits the flowers from 1 to 10.

Which flower is the shortest and has the fewest leaves? Write the number in the box.

1 more than 8 is
1 more than 6 is
1 more than 4 is
1 more than 2 is
1 more than 1 is
