

# THE GOLDEN HINDE

Over 400 years ago, a famous explorer called Sir Francis Drake was the first person to sail all the way around the world. His ship, the Golden Hinde, has rotted away, but there's a replica you can visit in London.

## Pirate party

These visitors to the Golden Hinde are dressed up as pirates. Can you spot and fill in the following things? Then, fill in the rest of the ship.

- ☆ A telescope
- ☆ A parrot
- ☆ A skull and crossbones
- ☆ A hook
- ☆ 4 striped T-shirts
- ☆ 8 windows
