Katy Kode has just joined a private detective firm called the Ace Agency. On her first day, she receives a file giving guidelines on how to be a detective, including information on how to follow someone without being spotted. The only problem is that the guidelines are in code...

1.	
2.	
3.	
4.	
5.	

Look at the document on the left and write down the five ways that detectives can avoid being noticed when on a mission.
