

# Text message mystery

Detective Dean is monitoring a gang called the Crazy Coders who communicate in code. His job is to decode any messages sent between gang members. He has found a phone that belonged to one of the Coders. When he tries to read the text messages he realizes they are in code. Can you help Detective Dean by decoding the messages on the left?

- 1.
- 2.
- 3.

These messages use a different code. Can you help Dean by decoding these, too? Look at code 16 for clues...

1. DIHE YMOEN NI DRE ABG.
2. ALEEV GAB TA TRUARSENAT.
3. I LIWL LOCLET TI TA YIMDAD.
