

Imagine a background for this old family portrait.
Draw it in, then colour the whole picture.

You could give this portrait a stylish outfit.

Give these portraits faces and hair.

Give fantastic hairstyles to these bald heads.

Try filling this frame with a picture of yourself or a character from your imagination.

What expression will you give to this royal portrait?

Fill this frame with a superhero or an alien.

Instead of drawing a face, you could cut out and stick in a photograph from an old magazine or newspaper - then doodle over the top.
